SEEKING JESUS TOGETHER

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is "***Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!***" One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, "*What is the writer saying?*" is designed to help you process a key summary or thought from the verses in your own words. The second question, "*How can I apply this to my life?*" is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for "*Prayer*". It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is ***"Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!"*** One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, *"What is the writer saying?"* is designed to help you process a key summary or thought from the verses in your own words. The second question, *"How can I apply this to my life?"* is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for *"Prayer"*. It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

A QUIET TIME TOOL FOR WBC

NOVEMBER 2024

Who can put a price on wisdom? Proverbs reminds us that wisdom is more profitable than silver, gold and more precious than rubies! I hope you are treasuring your journey through the book of Proverbs for it promises to give you the tools to live a satisfying life that honours God. The book of James reminds us that we need to be 'doers of the Word and not just hearers'. I hope you are able to find time to set your heart on wisdom in these busy seasons of life—that's when it's needed most!

This month we will continue our search for God's wisdom in our journey through the book of Proverbs. As you read each day, I encourage you to look for consistent themes that keep popping up or jumping out for you. When you keep seeing the same thing in reading God's Word it means it is time to pay close attention. This month the challenge is to LISTEN to God closely, LEARN from Him clearly, and LIVE for Him consistently!

Each Monday, Wednesday & Friday, you can catch a <60 second devotional thought from that day's reading on Instagram or Facebook to help keep you going as we *Seek Jesus Together!*

The first question, "*What is the writer saying?*" is designed to help you process a key summary or thought from the verses in your own words. The second question, "*How can I apply this to my life?*" is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for "*Prayer*". It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

NOVEMBER 2024

Who can put a price on wisdom? Proverbs reminds us that wisdom is more profitable than silver, gold and more precious than rubies! I hope you are treasuring your journey through the book of Proverbs for it promises to give you the tools to live a satisfying life that honours God. The book of James reminds us that we need to be 'doers of the Word and not just hearers'. I hope you are able to find time to set your heart on wisdom in these busy seasons of life—that's when it's needed most!

This month we will continue our search for God's wisdom in our journey through the book of Proverbs. As you read each day, I encourage you to look for consistent themes that keep popping up or jumping out for you. When you keep seeing the same thing in reading God's Word it means it is time to pay close attention. This month the challenge is to LISTEN to God closely, LEARN from Him clearly, and LIVE for Him consistently!

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is ***"Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!"*** One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, *"What is the writer saying?"* is designed to help you process a key summary or thought from the verses in your own words. The second question, *"How can I apply this to my life?"* is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for *"Prayer"*. It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

SEEKING JESUS TOGETHER

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is "***Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!***" One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, "*What is the writer saying?*" is designed to help you process a key summary or thought from the verses in your own words. The second question, "*How can I apply this to my life?*" is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for "*Prayer*". It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

NOVEMBER 2024

Who can put a price on wisdom? Proverbs reminds us that wisdom is more profitable than silver, gold and more precious than rubies! I hope you are treasuring your journey through the book of Proverbs for it promises to give you the tools to live a satisfying life that honours God. The book of James reminds us that we need to be 'doers of the Word and not just hearers'. I hope you are able to find time to set your heart on wisdom in these busy seasons of life—that's when it's needed most!

This month we will continue our search for God's wisdom in our journey through the book of Proverbs. As you read each day, I encourage you to look for consistent themes that keep popping up or jumping out for you. When you keep seeing the same thing in reading God's Word it means it is time to pay close attention. This month the challenge is to LISTEN to God closely, LEARN from Him clearly, and LIVE for Him consistently!

Each Monday, Wednesday & Friday, you can catch a <60 second devotional thought from that day's reading on Instagram or Facebook to help keep you going as we *Seek Jesus Together!*

The book of James reminds us that we need to be 'doers of the Word and not just hearers'. I hope you are able to find time to set your heart on wisdom in these busy seasons of life—that's when it's needed most!

This month we will continue our search for God's wisdom in our journey through the book of Proverbs. As you read each day, I encourage you to look for consistent themes that keep popping up or jumping out for you. When you keep seeing the same thing in reading God's Word it means it is time to pay close attention. This month the challenge is to LISTEN to God closely, LEARN from Him clearly, and LIVE for Him consistently!

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is "***Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!***" One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, "*What is the writer saying?*" is designed to help you process a key summary or thought from the verses in your own words. The second question, "*How can I apply this to my life?*" is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for "*Prayer*". It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

SEEKING JESUS TOGETHER

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is "***Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!***" One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, "*What is the writer saying?*" is designed to help you process a key summary or thought from the verses in your own words. The second question, "*How can I apply this to my life?*" is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for "*Prayer*". It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

SEEKING JESUS TOGETHER

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is ***"Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!"*** One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, *"What is the writer saying?"* is designed to help you process a key summary or thought from the verses in your own words. The second question, *"How can I apply this to my life?"* is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for *"Prayer"*. It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

NOVEMBER 2024

Who can put a price on wisdom? Proverbs reminds us that wisdom is more profitable than silver, gold and more precious than rubies! I hope you are treasuring your journey through the book of Proverbs for it promises to give you the tools to live a satisfying life that honours God. The book of James reminds us that we need to be 'doers of the Word and not just hearers'. I hope you are able to find time to set your heart on wisdom in these busy seasons of life—that's when it's needed most!

This month we will continue our search for God's wisdom in our journey through the book of Proverbs. As you read each day, I encourage you to look for consistent themes that keep popping up or jumping out for you. When you keep seeing the same thing in reading God's Word it means it is time to pay close attention. This month the challenge is to LISTEN to God closely, LEARN from Him clearly, and LIVE for Him consistently!

Did you know?

Each Monday, Wednesday & Friday, you can catch a <60 second devotional thought from that day's reading on Instagram or Facebook to help keep you going as we *Seek Jesus Together!*

SEEKING JESUS TOGETHER

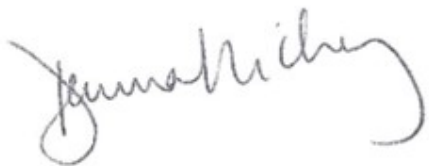

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is "***Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!***" One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, "*What is the writer saying?*" is designed to help you process a key summary or thought from the verses in your own words. The second question, "*How can I apply this to my life?*" is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for "*Prayer*". It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

Who can put a price on wisdom? Proverbs reminds us that wisdom is more profitable than silver, gold and more precious than rubies! I hope you are treasuring your journey through the book of Proverbs for it promises to give you the tools to live a satisfying life that honours God. The book of James reminds us that we need to be 'doers of the Word and not just hearers'. I hope you are able to find time to set your heart on wisdom in these busy seasons of life—that's when it's needed most!

This month we will continue our search for God's wisdom in our journey through the book of Proverbs. As you read each day, I encourage you to look for consistent themes that keep popping up or jumping out for you. When you keep seeing the same thing in reading God's Word it means it is time to pay close attention. This month the challenge is to LISTEN to God closely, LEARN from Him clearly, and LIVE for Him consistently!

SEEKING JESUS TOGETHER

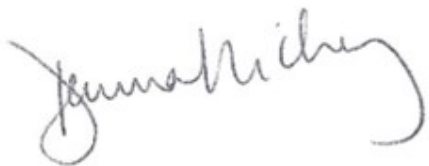

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is "***Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!***" One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, "*What is the writer saying?*" is designed to help you process a key summary or thought from the verses in your own words. The second question, "*How can I apply this to my life?*" is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for "*Prayer*". It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

A QUIET TIME TOOL FOR WBC

NOVEMBER 2024

Who can put a price on wisdom? Proverbs reminds us that wisdom is more profitable than silver, gold and more precious than rubies! I hope you are treasuring your journey through the book of Proverbs for it promises to give you the tools to live a satisfying life that honours God. The book of James reminds us that we need to be 'doers of the Word and not just hearers'. I hope you are able to find time to set your heart on wisdom in these busy seasons of life—that's when it's needed most!

This month we will continue our search for God's wisdom in our journey through the book of Proverbs. As you read each day, I encourage you to look for consistent themes that keep popping up or jumping out for you. When you keep seeing the same thing in reading God's Word it means it is time to pay close attention. This month the challenge is to LISTEN to God closely, LEARN from Him clearly, and LIVE for Him consistently!

Each Monday, Wednesday & Friday, you can catch a <60 second devotional thought from that day's reading on Instagram or Facebook to help keep you going as we *Seek Jesus Together!*

SEEKING JESUS TOGETHER

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is "***Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!***" One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, "*What is the writer saying?*" is designed to help you process a key summary or thought from the verses in your own words. The second question, "*How can I apply this to my life?*" is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for "*Prayer*". It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

Who can put a price on wisdom? Proverbs reminds us that wisdom is more profitable than silver, gold and more precious than rubies! I hope you are treasuring your journey through the book of Proverbs for it promises to give you the tools to live a satisfying life that honours God. The book of James reminds us that we need to be 'doers of the Word and not just hearers'. I hope you are able to find time to set your heart on wisdom in these busy seasons of life—that's when it's needed most!

This month we will continue our search for God's wisdom in our journey through the book of Proverbs. As you read each day, I encourage you to look for consistent themes that keep popping up or jumping out for you. When you keep seeing the same thing in reading God's Word it means it is time to pay close attention. SEEKING JESUS TOGETHER

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is "***Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!***" One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, "*What is the writer saying?*" is designed to help you process a key summary or thought from the verses in your own words. The second question, "*How can I apply this to my life?*" is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for "*Prayer*". It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

A QUIET TIME TOOL FOR WBC

NOVEMBER 2024

Who can put a price on wisdom? Proverbs reminds us that wisdom is more profitable than silver, gold and more precious than rubies! I hope you are treasuring your journey through the book of Proverbs for it promises to give you the tools to live a satisfying life that honours God. The book of James reminds us that we need to be 'doers of the Word and not just hearers'. I hope you are able to find time to set your heart on wisdom in these busy seasons of life—that's when it's needed most!

This month we will continue our search for God's wisdom in our journey through the book of Proverbs. As you read each day, I encourage you to look for consistent themes that keep popping up or jumping out for you. When you keep seeing the same thing in reading God's Word it means it is time to pay close attention. This month the challenge is to LISTEN to God closely, LEARN from Him clearly, and LIVE for Him consistently!

Did you know?

Each Monday, Wednesday & Friday, you can catch a <60 second devotional thought from that day's reading on Instagram or Facebook to help keep you going as we *Seek Jesus Together!*

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, "*What is the writer saying?*" is designed to help you process a key summary or thought from the verses in your own words. The second question, "*How can I apply this to my life?*" is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for "*Prayer*". It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!

SEEKING JESUS TOGETHER

A QUIET TIME TOOL FOR WBC

NOVEMBER 2024

Who can put a price on wisdom? Proverbs reminds us that wisdom is more profitable than silver, gold and more precious than rubies! I hope you are treasuring your journey through the book of Proverbs for it promises to give you the tools to live a satisfying life that honours God. The book of James reminds us that we need to be 'doers of the Word and not just hearers'. I hope you are able to find time to set your heart on wisdom in these busy seasons of life—that's when it's needed most!

This month we will continue our search for God's wisdom in our journey through the book of Proverbs. As you read each day, I encourage you to look for consistent themes that keep popping up or jumping out for you. When you keep seeing the same thing in reading God's Word it means it is time to pay close attention. This month the challenge is to LISTEN to God closely, LEARN from Him clearly, and LIVE for Him consistently!

SEEKING JESUS TOGETHER

A QUIET TIME TOOL FOR WBC

Welcome to the Quiet Time Tool (QTT) for Werribee Baptist Church! As a faith community, we believe it's important to spend time with Jesus and each other as we learn and grow together. That's why our mission statement is "***Striving to be a Loving Community Seeking, Serving, and Sharing Jesus!***" One of the ways we believe this happens is by spending time reading the Bible. The QTT helps us do that as a collective, allowing God to speak to us both individually and as a unified group.

If you are new to the QTT, there are some basic things you should know:

1. We've kept it simple! What that means is while the passages and focus will change month to month, the format remains the same.
2. We try to keep the passages relatively short when we can, followed by two reflective questions. The first question, "*What is the writer saying?*" is designed to help you process a key summary or thought from the verses in your own words. The second question, "*How can I apply this to my life?*" is designed to help you think through a takeaway truth, principle, or observation that is meaningful for your life.
3. We've included a section for "*Prayer*". It's up to you how you use this—you may want to write down specific things you are praying for, answers to prayer, or even a prayer of application from the day's reading.

May the Lord bless you as you seek to know Him more!
