SEEKING JESUS TOGETHER

A QUIET TIME TOOL FOR CATALYST

Congratulations! You have in your hands the Quiet Time Tool we have specially designed to help us be “A Loving Community Seeking, Serving and Sharing Jesus!” We know spending time in God’s Word (The Bible) daily is THE catalyst for equipping us to grow in faith as we “seek Jesus”. We believe Jesus has real answers for life’s real challenges!

Here’s how it works:

1. **Read** the verses listed each day and take a moment to reflect on them. Write down in your own words anything that stands out—a theme, something new you noticed, etc.
2. **Ask**, “How does this apply to me?” From the reading, write down what you think God wants you to put into action in your life. Some days it may just be a “Wow! Praise God!”
3. **Pray** using the prayer prompt and add to it whatever is on your heart that day. You can pray before you start, after you have done the reading, or both!
4. **Share!** It’s important to talk about what God is teaching you as you study His Word. Look for opportunities to do this in your social circles.

There you have it—pretty simple but SO important! Don’t forget, we are praying for YOU!

SEEKING JESUS TOGETHER

A QUIET TIME TOOL FOR CATALYST

JANUARY 2025

Here in Australia when school finishes and holidays begin, we find ourselves in the middle of what is affectionately called the “Silly Season”. What better time to resume our trek through Proverbs a.k.a. the Book of Wisdom contained within THE Book of Wisdom—God’s Word!

As you may remember, King Solomon was granted the gift of wisdom as part of God’s blessing for him as King. This helped him lead God’s people well during some challenging times for the nation of Israel, and it is still relevant for us in modern times. I trust that as you pray and seek God each day, He will meet you with wisdom to help you navigate the days ahead. I can’t think of a better way to start the New Year!

As we enjoy our summer break, we won’t be posting our usual Instagram devos on M-W-F but look for those to resume in February. Have a great summer!
